**Proposals for panels of 3-5 papers are highly encouraged.** Paper presentations are 20 minutes followed by a 10-minute question & answer session. In addition to panel proposals, **individual abstracts** for paper presentations will be considered. The presentations can be in French or English.

**Individually submitted abstracts** should be no more than 250 words.

**Panel proposals of 5 presentations** should be submitted per the following instructions:

- The panel organizer MUST electronically submit a panel proposal. The panel proposal cannot exceed one page in length and should include the theme of the panel, the organizer's name and contact information, and the names, contact information and affiliations of the panel participants.
- Each participant MUST submit an individual abstract using our online system in addition to the panel proposal. Please indicate that your presentation is part of a pre-organized panel and list the title and organizer of the panel following the abstract.

**A note on scheduling:** All KFLC panels are scheduled between the hours of 9am and 6pm on the days of the conference. We cannot accommodate special scheduling requests, so presenters should be prepared to present during those times on the day or days of their chosen modality. The program will be published approximately one month in advance of the conference.

Please visit our website for details pertaining to the track that interests you. Be sure that your paper or panel is prepared according to the track's guidelines including, but not limited to, the format and the language of presentation. Acceptance of a paper or complete panel implies a commitment on the part of all participants to register and attend the conference. **All presenters must pay the appropriate registration fee by Monday March 3rd, 2025 to be included in the program.** Failure to pay by this deadline will result in the immediate removal of your abstract from the conference program. We will attempt to contact you before removing your presentation.
